COMPANY PRESENTATION

2020

THE TERMOROS GROUP OF COMPANIES IS A LEADER IN THE FIELD OF CONSTRUCTION ENGINEERING EQUIPMENT

THIS MEANS:

20+

years working in
the engineering field

600+

specialists

6 000+

loyal customers

**WE COVER ALL VECTORS OF DEVELOPMENT IN ORDER TO PROVIDE
OUR CLIENTS WITH COMPREHENSIVE, COMPLETE SOLUTIONS**

IN ORDER TO BE THE BEST, WE APPLY THE FOLLOWING 5 PRINCIPLES:

INNOVATION

We apply modern technology and develop our own in our laboratory

EFFICIENCY

When working on a project, we seek to optimize all processes and maximize the savings of our Client's resources

ECO-FRIENDLINESS

We respect the environment by using equipment that meets environmental safety standards

PROFESSIONALISM

We build our specialists' capacity and provide educational events for partners

RELIABILITY AND TRUSTWORTHINESS

We value our reputation and are attentive to processes for which we are responsible

OUR PRESENCE

400+ service centers with warehouses in
220 cities across Russia

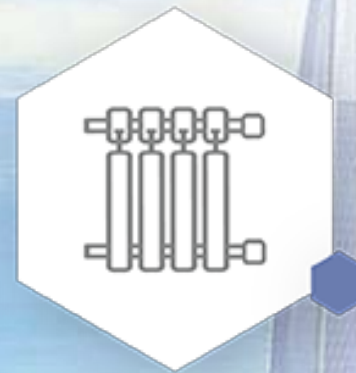

15 000+ PRODUCT PORTFOLIO
